

## THE COVINGTON LEADER.

VOL. XXXI. NO. 23.

COVINGTON, TENNESSEE. THURSDAY, MARCH 15, 1917.

\$1 PER YEAR.

FORMER COVINGTON PASTOR  
IS CALLED TO HIS REWARDProminent and Active in Church for  
Many Years--Moderator of Shelby  
County Association at His Death.

Dr. W. H. Bruton, who served as pastor of the Baptist church in Covington from early in the year 1895 to May, 1899, died at his home in Collierville, last Saturday morning at 11 o'clock. The funeral services were held in Collierville, Sunday afternoon at 2:30 o'clock, conducted by Dr. Richard M. Inlow, pastor of the Bellevue Baptist church, of Memphis. Dr. Bruton was 77 years old and had been sick some time prior to his death and his wife was also seriously ill at the time of his death and was barely conscious of it.

Dr. Bruton had a most interesting career. At various times he was a newspaper man, lawyer, and minister. He published a paper in Jackson for several years. For the past 30 years, however, he has been actively engaged in the ministry in the Baptist church. He came here from Jackson and did excellent work as pastor of the church here. He moved from here to Union City, from there he was called to Tullahoma, where he was pastor for a time; he next was pastor of the Baptist church at Ripley; resigning this charge, he became pastor of Forest Hill church, at Collierville, which he held until he resigned some time ago on account of ill health.

Dr. Bruton is most kindly remembered in Covington, not alone by the people of his church, but by members of all denominations.

## Survives Husband Nine Hours

Mrs. Mary Frances Bruton, wife of Dr. W. H. Bruton, died at her home in Collierville some nine hours after the death of her husband. Mrs. Bruton was 72 years old and, as stated above, was dangerously sick when her husband died. The funeral services were held Tuesday morning, conducted by Dr. Ben Cox, pastor of Central Baptist church, of Memphis, assisted by Rev. A. B. Jones, a life long friend of Dr. Bruton and a comrade in the Confederate army. It is stated that years ago, when the two felt the call to the ministry, they agreed that the survivor would conduct the other's funeral, but the effort to reach Dr. Jones at Dresden failed and he arrived in Collierville after his friend had been buried and to attend the funeral of his wife. Mrs. Bruton was a Miss Gill and she and Dr. Bruton were married on December 25, 1866, more than half a century ago.

—Mr. J. Drew McClanahan had a painful accident to befall him Wednesday evening. He was having the steps at his home repaired and the steps had been taken down for that purpose. Mr. McClanahan, for the moment, forgot this and when he went to step off his porch fell to the ground, a distance of several feet, his right ankle being badly sprained as a result.

## CHAUTAUQUA READING CLUB

Mrs. J. H. Flippin entertained the Chautauqua Reading club in her beautifully appointed home on Tuesday afternoon.

The club is now reading "Belgium, the Land of Art", by William Elliot Griffis, and the Belgium people under Charles V and Philip II formed the specially interesting subject for the afternoon.

Refreshments are not usually in order at the meetings of this society, but Mrs. Flippin surprised her guests by serving a delicious ice course.

Mrs. James Coman will have charge of the program at the next meeting, which will be with Mrs. Grant Reid.

JUDGE JESSE EDGINGTON  
IS ACQUITTED OF BRIBERY

Judge Jesse Edgington, who was impeached by the state senate, was acquitted in the criminal court of Shelby county by a jury, Monday, of the charge of receiving a bribe. Judge Edgington was indicted last June after the court of impeachment found him guilty. There were other indictments in the court of impeachment of which he was found guilty, but the verdict of the jury evidently indicates that they concluded that he was sufficiently punished when deprived of his office and rendered ineligible to hold office in the state. The acquittal does not remove any of his disabilities.

TO VOTE ON HOLDING CON-  
STITUTIONAL CONVENTION

The senate recently passed the bill providing for a popular vote on whether or not a constitutional convention shall be held. It was first amended so as to fix the date of election for July 28, instead of April 28 as set forth in the original bill. It has previously passed the lower house and will have to go back to that body for action on the senate's amendment. The reason given for postponing the date of the election was that the farmers would be too busy at their crops the latter part of April to go to the polls.

Senator Bates led the fight for the measure. Representatives declared that they would fight for a convention, but pleaded that the date should be set forward until August in order that more time might be given for creating sentiment for the convention.

The bill governing the election of delegates to the convention, in the event the people vote to hold a convention, provides for one delegate from each county, except that Shelby county shall have 10 delegates. Davidson 7, Knox 5, Hamilton 4, Maury 2, Madison 2, Montgomery 2, Fayette 2, Gibson 2, Giles 2, Greene 2, Rutherford 2, and Weakley 2.

WEST TENNESSEE BAPTIST  
SUNDAY SCHOOL CONVENTION

Program of the West Tennessee Baptist Sunday School convention, which meets in Ripley, April 17 to 19, inclusive, has been issued. The program provides for the opening session on Tuesday night and three sessions for the remaining two days of the convention on various departments and features of Sunday school work.

Reduced rates on the railroads are promised, on the certificate plan. The chairman of the entertainment committee, Rev. J. W. Storer, of Ripley, asked that he be notified at once by delegates so that they may be assigned homes.

## HOLLY THICKET HOUSE SHOT UP

Deputy Sheriff Ed Roberts and the Simpson brothers, from Dyersburg, with a pair of bloodhounds, went to what is known as the Holly Thicket neighborhood, today, to investigate some trouble that had occurred on Mr. E. M. Downing's place on Wednesday night. The house of one of Mr. Downing's tenants, a colored man, had been fired into by some unknown person, for the purpose, it is said, of driving him out of the neighborhood, but no one was hurt. The dogs were sent for the purpose of ferreting out the guilty party or parties.

On account of the absence of the pastor, his pulpit will be filled next Sunday morning by Mr. Jeff B. Marmon, of Memphis, who is the lay leader of the Memphis conference. All members of the congregation are requested to be present at these services.

Prayer meeting every Wednesday evening.  
Visitors cordially invited to come.

A new English electric fan is designed to provide intermittent currents of air, its blades turning upon their axes as they are revolved.

## TO ORGANIZE A POULTRY CLUB

A meeting will be held at the Business Men's club, Saturday afternoon at 2:30 o'clock, for the purpose of organizing a Poultry club. The requisite for becoming a member is to be the owner of 45 eggs or 45 day-old chickens of any pure bred stock, the chickens to be hatched about April 20. There will be no dues, no assessments. Officers will be elected at the meeting, Saturday. All interested parties are invited to attend the above meeting.

WEST TENNESSEE TEACHERS'  
ASSOCIATION MEETING

The next meeting of the West Tennessee association will be held in Memphis on the 22nd, 23d and 24th of this month.

The state superintendent of schools will order a holiday on the 23rd for all West Tennessee teachers with full pay provided they attend the meeting of the association. An interesting program has been prepared and all the teachers of Tipton county are urged to attend.

Friday, at the State Normal School, at 11 a. m., Prof. M. A. Leiper, of the Bowling Green (Ky.) Normal School, will address all the teachers on "Teaching the Mother Tongue." Prof. Leiper is the author of one of our reading circle books, and it will be distinctly to the interest of our teachers to hear him.

Following Prof. Leiper, Supt. P. W. Horn, of the Houston (Tex.) City Schools, will address the teachers on "Some Standards That Can Be Used in the Measurement of Every Teacher's Work." Supt. Horn is one of the big school men of the country, and every West Tennessee teacher ought to hear this lecture.

The railroads have granted special rates of one and one-half fare plus fifty cents on the certificate plan. Be sure to get receipts from the agent when you buy your tickets. These receipts will have to be presented to the Memphis agents in order to get the reduced fare for the return trip. I suggest that when ten or more go together they buy a block ticket, which will probably give a better rate from Tipton county than that granted by the railroads.

For your convenience, I suggest that your register with me before going to the meeting. If it is not convenient for you to send the fifty cents just notify me by postal card that you will attend and pay me when you see me, or that you will send it to me later, and I will mail you a badge and give you a receipt when I get the money. The enrollment fee is fifty cents.

Supt. Robinson is anxious to have the names of all those who expect to attend, so if you find it more convenient to notify Mr. Robinson of your intention to attend and ask him that your name be enrolled, it will be attended to as if you had written me. Help make this meeting the best we've ever had.

P. O. DUGAN, President.

## LEIGH CHAPEL ITEMS

As I haven't seen any news from our little village lately, will write and let you know we are still among the living. We get the Leader each week and enjoy it from beginning to end.

Everybody is happy, hale and hearty as they ever "wuz".

The evening shadows find our women tating, crocheting, embroidering, etc., while the men are smoking, reading the latest war news and talking the high cost of living. But why should they worry? They are the farmers and have plenty of corn, pork, pure water and have wheat growing. I don't see why they should get hungry if they haven't any money.

How many are thankful that our country is at peace? We should all be. Everything is peaceful and quiet since the talk of war. The married ladies are more devoted to their "Johns" and "Toms". Have lessened the use of the rolling pins and broom sticks.

Some of our people have been shooting wild ducks since the heavy rains. They are plentiful.

The young ladies are talking fashions and the married ladies are talking gardens and chickens. Every sign of spring is here. The birds are singing and flowers and grasses are waking up after their long winter nap. We, too, should be happy and gay and thank our Heavenly Father for His loving care through the cold winter days that we have been spared to see another spring
